## Description

### REVIVAL R530

You want to do it all and need a boat that can keep up with your ever-changing boating lifestyle. Our versatile R530 SportZ Edition hits the water with all the essentials and many so called "extras" that other boat brands force you to pay for: bowrails, bilge pumps, internal lighting, under-floor fuel tanks, dry and wet storage and loads more. Simply strap on the outboard of your choice and get it wet.

### COLOUR and TRIM\*

All Revival hulls are available in the standard Arctic White gelcoat or splash out with one of eight (8) full or two-tone gelcoat options. SportZ and OffShore editions feature two-tone grey vinyl interiors while WeekEnders are treated to cloth detailing in the cabins.

### TECH SPEC and FEATURES

Despite its garage-friendly dimensions, the R530 boasts one of the largest rear cockpits in its class. A wave-slicing 20deg deadrise ensures a soft, dry ride while the broad stance creates a stable and confident platform at rest and underway.
