## Description

\*\* THIS MODEL IS STILL AVAILABLE..... REDUCED TO MAKE WAY FOR NEW STOCK \*\*\*

The Horizon 438 Stryker XPF Side Console is a strong, well-built aluminium boat with a wide range of applications, especially for families on our local Brisbane waterways. Built around the Hydro Lift hull and boasting a beam of 2.06m this gives the Stryker great stability while flicking lures and moving around the boat.

The addition of a side console greatly improves your comfort, and with 4 seating positions and front and rear casting decks there's plenty of room on deck. Add to this a plumbed live tank and electric motor mount to sneak up on the fish, making this 438 Stryker XPF an outstanding and affordable rig.
